The first step towards the higher morality is that the human beings should remove their “ego” from within themselves.

MINHAJ YOUTH LEAGUE INDIA

is a Non-profit NGO and is the youth organ of Minhaj-Ul-Quran International India, having members in the age group of 13- 40. Since its inception MYLI has been imparting spiritual, ideological, educational and social guidance to youth so that they (youth) who are the most dynamic segment of society and the future of the nation may transform into ideal citizen of the society.

Our vision is not merely imparting Islamic knowledge, but also to train a generation of professionals who are confident in their Islamic roots and beliefs

regardless of the profession that they choose to go into. Minhaj Youth League India has a major role to play in educating the Muslims of our country about the true face of Islam.

our vision

Minhaj Youth League India aims to serve the Muslim community's spiritual, educational, and social needs. Particularly, Minhaj Youth League India aims to create an environment in which young Muslims from all backgrounds can learn traditional Islamic teachings in a healthy and tolerant environment.

SPIRITUALITY IS IMPORTANT

Deen is entirely about sacrifices. Even if someone extensively proclaims about his religiousness, but his life is empty of sacrificial passion and actions, that will still be considered hypocrisy according to the Holy Qur'an.

SHAYKH UL ISLAM
DR. TAHIR UL QADRI

In an age when Muslim communities are divided by ethnic, sectarian, and ideological factionalism, we hope to revive the values of love, compassion, and unity that rest at the core of our beloved religion. Our courses and programs will accomplish this by maintaining a commitment to the Qur'an, the Sunnah and the teaching of our pious predecessors.

HALAQA-E-DURUD AND FIQR-E-AKHIRAT GATHERINGS

It is among the prescriptions of the Shari'ah (Islamic Law) to recite Salutations and Blessings upon Allah's Messenger (ﷺ) as is evident in the following Qur'anic verse:

Undoubtedly, Allah and His angels send blessings on the Prophet (peace be upon him). O believers! You (too) send your blessings upon him and salute him with all respect.

There cannot be a greater honor for the Believers than this, who have been favored with a share in this Divine Action by Allah Almighty and His Angels.

MYLI volunteers organize weekly Halaqa e Durud gatherings in cities where they have chapters.

Etiquette of Attending the Gathering of Durood Sharif

- ✔ Make a proper Wudu or Ghusl before attending the gathering and Use perfume or scent (Itr).
- ✔ Imagine the Gumbad-e-Khizra when you are sending greetings upon the Holy Prophet (ﷺ).
- ✔ Invite the guest kind heartedly and warmly, preferably by sending a formal invitation.
- ✔ Gathering could be held anywhere but this needs to be ensured that place is clean and spacious.
- ✔ Certain things like membership/sponsorship forms, CDs and free copies of books should be made available for distribution.

Sending the greetings and salutations on the Holy Prophet (ﷺ) is a worship that is granted every time. Allah Almighty has ordained the believers to send Durood on the Holy Prophet (ﷺ).

Empowering students occurs through exposure to Arabic for at least four hours per weekend and training is given in three contexts:

The books that can be taught in this course are Irfan ul Quran Quranic Arabic course book written by Maulana Saeed Raza Baghdadi and Madinah Arabic Reader Course Book (Arabic Grammar).

Alhamdulillah this program has received good response from students and professionals.

USOOL-E-HADITH

Qur'anic text confirms that it is obligatory upon Muslims to obey the Prophet (ﷺ), hence the preservation and record of Hadith literature has allowed the average Muslim to follow the instructions of the Messenger (ﷺ) and fulfill their obligations as faithful believers. Authenticity

of the hadith depends on the reliability of its reporters, and the linkage among them.

Scholars of hadith agree that the truthfulness and uprightness of every individual that reports a narration from the Prophet (ﷺ) needs to be verified.

Science of hadith verification aids in exposing any deliberate fabrication of Hadith by various people

Programs are arranged on Usool-ul-Hadith (Science of Hadith) and articles are also shared, which will help common people understand the terminologies used in Hadith books. One such program was organized by MYLI Hyderabad in which Moulana Hafiz Subhan Shareef Chishti (Specialized in Science of Hadith, Jamia Nizamia and Scholar of Moulana

Aazad National Urdu University Hyderabad) conducted the Darse Hadith course for Minhaj Youth League volunteers. The Hadith Terminology, types of Hadith and Science of chains of narrations are explained to the participants. Literature and DVD's of Science of Hadith speeches are given to the participants as a gift.

MEELAD CONFERENCES

Allah has indeed bestowed a great favour upon the Muslims, in that He sent to them a Noble Messenger (Prophet Mohammed - peace and blessings be upon him) from among them, who recites to them His verses, and purifies them, and teaches them the Book and wisdom; and before it, they were definitely in open error.

CHAPTER 03 | SURAH AAL-E-IMRAN | VERSE 164
