3. I'tikaf Tents – A Sacred Space for Young Children to Connect with Allah ﷻ

Alhamdulillah, this Ramadan at MLRC, we introduced the beautiful Sunnah of I'tikaf to our students through a special “I'tikaf Tents” experience — designed especially for young minds and hearts.

Our goal was to help children understand the essence of I'tikaf — stepping away from distractions to spend quiet, meaningful time in remembrance of Allah, making duas, reading the Qur'an, and reflecting on their relationship with their Creator.

4. MLRC Summer Camp 2025 – A Journey of Fun, Faith & Friendship!

This year's camp was filled with engaging Islamic learning, hands-on activities, creative expression, and a nurturing space where children grew in their love for Allah ﷻ and His Messenger ﷺ.

From stories of the Prophets to daily duas and values-based lessons...

From crafts and simulations to fun-filled games and group bonding...

Every moment was designed to plant seeds of Iman, adab, and curiosity in our little learners!

Our goal was to create a space where children learned with joy, played with purpose, and connected with Islam in a way that stays with them for life.

We conducted a deeply enriching Taharat Workshop led by Mufti Mohammad Hamza — a Hafiz, a Mufti, and a scholar with a Master's in Islamic Studies. He has also authored several insightful books.

What made it even more special?

We concluded with a hands-on soap-making activity that blended learning with creativity! Participants made their soaps — a reminder that cleanliness is not only half of faith, but also something joyful and fulfilling.
